REMARKS

The specification is being amended to add reference to sequence listing numbers for three sequences that were present in the specification but not specifically listed in the sequence listing. The supplemental sequence listing and sequence listing statement are being filed herewith. The three sequences have now been added to the sequence listing as SEQ ID NOs: 28 through 30. Because the three additional sequences were present in the specification as filed, no new matter is being added in the sequence listing filed herewith.

Further, Claim 2 is being amended for clarification purposes to add reference to SEQ ID NO: 28, rather than to "residue 10-13 of SEQ ID NO: 1" as previously amended in a preliminary amendment filed on November 13, 2001.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
